# Snappy Trap All-in-One Drain Kit

## Sink Drains Made Easy

Installing a new sink drain can be difficult, time consuming and frustrating using traditional tubular pipe components. Snappy Trap has changed all that with a modern, patented, user-friendly system for new sink drain installations in kitchens and bathrooms.

## *Fast, Flexible, Flawless Installations!*

### What makes Snappy Trap different?

- **Multiple kits - kitchen & bath sink drains**
- **No tools required**
- **No experience needed**
- **Patented flex hose makes alignments and connections simple, easy and secure**
- **Maintenance free**
- **All-inclusive, everything you need**
- **No guesswork, no return trips to the store**
- **Certified to meet plumbing codes**

**Snappy Trap Double Bowl Kitchen Sink All-in-One Drain Kit – Item DK110**

## *Snappy Trap - The Right Fit Drain Kit!*

## Snappy Trap Features & Benefits

- Fits all kitchen and bathroom sinks, even specialized applications
- Unlike traditional corrugated drain hoses, the inside of the patented flexible hose is smooth so waste particles won't get caught and cause build-up and odor
- Corrugated drain hoses must be disconnected periodically to clean out debris deposits. Snappy Trap's smooth hose is "self-scouring" so it's maintenance free!
- Flexibility to adjust to any size space
- Simple installation instructions and how-to videos available online
- Highest quality materials and manufacturing standards
